Hey, Coyotes!

Your dollars have been hard at work this year, bringing significant impact to our school community.

Thank you for your contributions and time. We can't do it without you.

See you next school year!

**2023
ANNUAL
REPORT**

www.scsptsa.org

OUR BIGGEST YEAR TO DATE

We exceeded fundraising goals during the 2022/2023 school year, enabling us to hire six specialist positions for Art, STEAM, Garden, Music, and P.E.

Note: The details above represent PTSA fund allocation after fundraising expenses (approximately 20% of total income)

With your help and generosity, we were able to impact each of the 1,000+ Sycamore Canyon School students this school year.

As a 100% volunteer and staff-run organization, we couldn't do it without the many volunteers who invest their time to fulfill our mission - building a strong school community, school spirit and the best educational environment for our children.

FUND STEWARDSHIP →

There's still time to contribute and get involved with the PTSA!

- Consider an end-of-year direct donation at scspts.org/give
- Check out the Volunteer section of our website or email sycamorepts@gmail.com to inquire about volunteer opportunities

Educational Enrichment & Specialists 67%

Did you know specialties are not fully funded by the State of California? Six specialists at Sycamore Canyon School are funded by PTSA dollars. This includes P.E., Art, Music, STEAM, and The Garden.

With this year's funding, we were able to fund all of our existing specialties and add:

- Robots, coding software & 35 Chromebooks for the STEAM Lab (coming August 2023!)
- Garden irrigation & new exhibit stations
- A part-time Garden specialist & the Edible Lab

Staff Support & Resources 18%

We believe that equipping our educators and staff with the tools they need brings great benefit to our kids. Just a few things we provided this year include:

- K-8 level grants and teacher instructional accounts
- Access to Teachers Pay Teachers for supplemental learning materials
- Funding for library and core literature

Activities & Events 9%

We host a variety of events to build strong community ties and engagement. These include Family Culture Night, Family Reading Night, Spring Carnival, the Garden Art Show, and many more.

Campus Improvements 5%

We were pleased to fund improvements to several areas within the school including a replacement of the art kiln, an additional water bottle filling station, and more.
